

## 2005 Winter Symposium January 15-17, 2005

\*\*\*

Program Chairman: Russell N. Van Gelder, MD, PhD

### Scientific Program

#### **Saturday, January 15, 2005**

- 7:30am Continental Breakfast
- 8:00-9:00 **Case Discussions**
- ARN in 2 Adolescents with History of Neonatal HSV-I  
Andrew W. Eller, MD
- Enterovirus Hypotony Uveitis  
Debra A. Goldstein, MD
- White Dots and Subretinal Hemorrhage – Red Herrings?  
Pauline T. Merrill, MD
- ARN?  
Howard H. Tessler, MD
- 3:30pm Après Ski Refreshments
- 4:00-7:00 **NEW INSIGHTS INTO DISEASE MECHANISMS**  
Moderator: Russell N. Van Gelder, MD, PhD
- 4:00-4:15 Session Introduction  
**Russell N. Van Gelder, MD, PhD** Associate Professor, Dept. Ophthalmology and Visual Sciences, Dept. Molecular Biology and Pharmacology, Washington University Medical School
- 4:15-5:00 Connecting the Dots: Strategies for Antigen Identification in Inflammatory Disorders of the Retina and Optic Nerve  
**Jeffrey L. Bennett, MD, PhD** Assistant Professor, Neuro-ophthalmology, Department of Neurology and Ophthalmology, University of Colorado Health Sciences Center
- 5:00-5:45 Visualization of Immune Responses in the Eye  
**Victor L. Perez, MD** Associate Staff, Cole Eye Institute
- 5:45-6:30 Group Behavior and Bacterial Pathogenesis  
**Michael E. Zegans, MD** Associate Professor, Department of Surgery (Ophthalmology) and Department of Microbiology and Immunology, Dartmouth Medical School
- 6:30-6:45 Discussion
- 7:00-10:00 Reception/Dinner at The Cliff Lodge

## **Sunday, January 16, 2005**

- 7:30-9:00 Continental Breakfast
- 3:30pm Après Ski Refreshments
- 4:00-7:00 **CLINICAL TRIALS IN UVEITIS: TURNING THE CORNER**  
Moderator: Russell N. Van Gelder, MD, PhD
- 4:00-4:15 Session Introduction  
**Russell N. Van Gelder, MD, PhD** Associate Professor, Dept. Ophthalmology and Visual Sciences, Dept. Molecular Biology and Pharmacology, Washington University Medical School
- 4:15-5:00 Planning and Executing a Clinical Trial-- Some Lessons From OHTS  
**Michael A. Kass, MD** Professor & Chairman, Department of Ophthalmology & Visual Sciences Washington University Medical School
- 5:00-5:45 The Fluocinolone Acetonide Sustained Drug Delivery Implant-Clinical Trials in Uveitis, and Lessons Learned  
**Glenn J. Jaffe, MD** Professor of Ophthalmology, Vitreoretinal Service, Duke Eye Center
- 5:45-6:30 Future Clinical Trials in Uveitis: Problems, Needs, and Solutions  
**Douglas A. Jabs, MD, MBA** Professor of Ophthalmology, The Wilmer Eye Institute
- 6:30-6:45 Discussion
- 7:00pm Adjourn

### **Continuing Medical Education (Granted for January 15 & 16 only)**

#### **Accreditation**

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of Washington University School of Medicine, Continuing Medical Education and the American Uveitis Society. Washington University is accredited by the ACCME to provide continuing medical education for physicians.

Washington University designates this educational activity for a maximum of 7 hours in Category 1 credit toward the AMA Physicians' Recognition Award. Each physician should claim only those hours of credit that he/she actually spent in the educational activity.

#### **Disclosure Policy**

It is the policy of Washington University School of Medicine, Continuing Medical Education to ensure balance, independence, objectivity and scientific rigor in all its educational activities. All faculty participating in this activity are expected to disclose to the audience any significant financial interest or other relationship he/she has with the manufacturer(s) of any commercial product(s) discussed in an educational presentation.

#### **Sponsored by**

This activity is being sponsored by Washington University School of Medicine, Continuing Medical Education.

The American Uveitis Society wishes to acknowledge the following companies for their commercial support in the form of an unrestricted educational grant:

**Alcon Laboratories, Inc.  
Allergan  
Bausch & Lomb  
Centocor**

## **Monday, January 17, 2005**

- 7:30 Continental Breakfast
- 8:00-8:30 **Corporate Presentations**
- 8:00-8:15 Bausch & Lomb  
Michael O'Rourke, VP & GM of U.S. Rx Pharmaceuticals  
E. John Heiser, Director Vitreoretinal Products
- 8:15-8:30 Alcon Laboratories, Inc.  
Ted Donnelly, Hospital Account Manager
- 8:30-9:15 **Free Papers**
- 8:30-8:45 The Differential Efficacy of Etanercept and Inflixamab  
Anat Galor, MD
- 8:45-9:00 Antimicrobial Activity of Intravitreal Methotrexate  
Debra A. Goldstein, MD
- 9:00-9:15 Patterns of Exacerbations of Chronic Non-Infectious Uveitis in Pregnancy and Puerperium  
Leila I. Kump, MD
- 9:15-9:30 Comparison of Scanning Laser Polarimetry and Optical Coherence Tomography Optic Nerve Head  
Analysis in HIV Patients Without Infectious Retinitis  
William R. Freeman, MD
- 9:30-10:00 **Meeting planning: 2006**
- 10:00am Adjourn
