

10th ANNUAL Retina Fellows' Forum

Dear Senior Retina Fellow,

You are invited to attend the 10th Annual Retina Fellows' Forum. The Fellows' Forum is an educational and social experience that we hope will be a valued part of the fellowship experience for years to come. It is scheduled so it does not conflict with major holidays or major ophthalmology meetings.

Goals of the meeting

- Provide an intensive review of current vitreoretinal treatments
- Allow fellows to meet/interact with peers
- Encourage research
- Introduce fellows to industry

The format is informal, with lectures, case presentations and panel discussions led by a voluntary faculty of members of the American Society of Retina Specialists (ASRS). Fellows are encouraged to actively participate in the discussion.

We look forward to seeing you at the Fellows' Forum in Chicago.

& Lomb is our major corporate sponsor, other companies generously contribute time, money, and equipment to ensure the meeting's success. No company has any direct input or influence on our meeting agenda, and we are deliberate in our efforts to present balanced arguments and approaches.

WHO MAY ATTEND?

Only North American vitreoretinal fellows in their final year of training in a traditional 2 year surgical retina fellowship program are invited. Fellows may attend the meeting only once. Spouses/guests are not invited to attend the meeting or social events in order to maximize the opportunity for fellows to interact with each other and with the faculty. Attendance is limited to the first 80 registrants.

REGISTRATION

All costs for meeting registration, meeting meals and hotel will be covered and each attendee will be reimbursed up to \$300 in travel expenses. *Registration deadline is December 18, 2009.*

AWARDS AND PRIZES

More reasons to attend this great meeting!

The Bausch & Lomb Fellows' Forum Research Award

This award is presented for outstanding original research by a senior fellow. The winner will be invited to present his/her work as a specially recognized paper at the

ASRS 28th Annual Meeting, Aug. 28-Sept. 1, 2010 in Vancouver. The winner also receives free meeting registration plus an unrestricted \$1,500 travel grant. (Application is on the registration form.)

American Retina Foundation Award

A \$2,000 travel grant to attend the ASRS 28th Annual Meeting will be presented by the American Retina Foundation to a randomly selected fellow. You must be present to win.

A free Synergetics surgical instrument

Synergetics will present an engraved surgical instrument to each meeting attendee (up to \$2,500 value).

Free instruments donated by Dutch Ophthalmic USA

Two fellows will be randomly selected to receive free instruments. No skill required but you must be present to win.

Additional awards and prizes will be announced at the meeting!
