**Notes from Aspen/Snowmass:** [www.aspensnowmass.com](http://www.aspensnowmass.com)

Radio frequency gate cards will be issued to **all** guests. These cards will allow faster access to the lifts and hands-free scanning. Please note there will be a refundable \$5 per ticket fee for the RF card and it is already included in the lift ticket price listed. Skiers/riders must return the card on the last day of skiing for a complete refund by visiting any ticket office.

**New this year – there will no longer be the option to add one day to your lift ticket at the discounted rate. Please purchase your lift ticket for the number of days you plan to ski. Days added at the window will be \$102/day.**

Senior Discounts - Seniors age 70+ may contact AEW or Aspen/Snowmass to purchase one of the following options:

1. \$399 Silver Premier Pass: Unlimited skiing/riding on all 4 mountains and discounts on summer lifts access.
2. \$199 Silver Escape Pass: 10 days + \$22/day validation (valid all season)

*These are a better value if you are skiing more than 5 days otherwise the adult group pricing is best.*

RSVP Program - The Return Skier Visit Program (RSVP) allows guests to return partially used lift tickets, **within 14 days of expiration**, and receive an internal credit toward future Aspen Skiing Company purchases. When unused days on lift tickets are put into an RSVP account, guests receive a monetary credit of the per day price of the unused days good thru April of 2011. RSVP credit may be used toward purchases of lift tickets, season passes, ski and snowboard school tickets, and at Four-Mountain Sports and D&E Ski and Snowboard Shop. RSVP Credits are non-transferable unless Aspen Skiing Company receives written notification. Refunds - All refunds for fully unused lift tickets only must be directed through Aspen Eventworks who purchased the tickets. No refunds will be made to individuals, with the exception of RSVP credit. **Aspen Skiing Company lift tickets are non-transferable and cannot be resold.**
